Last updated: March 12, 2021

Welcome to www.fanicararinca.com (the “Website”). We, being the “Company” own and operate the Website and are providing internet services to you subject to the following conditions.

This electronic document is considered to be a legally binding and enforceable contract between you the Company. By using or visiting, at the Website you acknowledge that you are aware of and completely accept all of the terms and conditions of these Terms.

We, know that you care how information about you is used and shared, and we appreciate your trust that we will do so carefully and sensibly. This notice describes our privacy policy. **By visiting the Website, you are accepting the practices described in this Privacy Policy.**

What Personal Information About Users Does the Website Gather?

The information we learn from Users helps us personalize and continually improve your experience at the Website. Here are the types of information we gather.

Information You Give Us: We receive and store any information you enter on our Web site or give us in any other way. You can choose not to provide certain information, but then you might not be able to take advantage of many of our features. We use the information that you provide for such purposes as responding to your requests, customizing your Website experience, improving the Website, and communicating with you.

Automatic Information: We receive and store certain types of information whenever you interact with us. For example, like many other websites, we use “cookies,” and we obtain certain types of

information when your Web browser accesses the Website or advertisements and other content served by or on behalf of the Website on other Web sites.

E-mail Communications: To help us make e-mails more useful and interesting, we often receive a confirmation when you open e-mail from the Website if your computer supports such capabilities. If you do not want to receive e-mail from us, please click the “Unsubscribe” link located at the bottom of our emails.

Information from Other Sources: We might receive information about you from other sources and add it to our Account information.

What About Cookies?

Cookies are alphanumeric identifiers that we transfer to your computer’s hard drive through your Web browser to enable our systems to recognize your browser and to provide features such as the Shopping Cart, personalized advertisements on other websites, and storage of items in your Shopping Cart between visits.

The Help portion of the toolbar on most browsers will tell you how to prevent your browser from accepting new cookies, how to have the browser notify you when you receive a new cookie, or how to disable cookies altogether. Additionally, you can disable or delete similar data used by browser add-ons, such as flash cookies, by changing the add-on’s settings or visiting the website of its manufacturer. However, because cookies allow you to take advantage of some of our essential features, we recommend that you leave them turned on. For instance, if you block or otherwise reject our cookies, you will not be able to add items to your Shopping Cart, proceed to Checkout, or use any the Website products and services that require you to Sign-in.

As with most other websites, we collect and use the data contained in log files. The information in the log files include your IP (internet protocol) address, your ISP (internet service provider, such as AOL or Shaw Cable), the browser you used to visit our site (such as Internet

Explorer or Firefox), the time you visited our site and which pages you visited throughout our site.

We also use third party advertisements on our Website to support our business. Some of these advertisers may use technology such as cookies and web beacons when they advertise on our site, which will also send these advertisers (such as Google through the Google AdSense program) information including your IP address, your ISP , the browser you used to visit our site, and in some cases, whether you have Flash installed. This is generally used for geotargeting purposes (showing New York real estate ads to someone in New York, for example) or showing certain ads based on specific sites visited (such as showing cooking ads to someone who frequents cooking sites).

We also may use DART cookies for ad serving through Google's DoubleClick, which places a cookie on your computer when you are browsing the web and visit a site using DoubleClick advertising (including some Google AdSense advertisements). This cookie is used to serve ads specific to you and your interests ("interest based targeting"). The ads served will be targeted based on your previous browsing history (for example, if you have been viewing sites about visiting Las Vegas, you may see Las Vegas hotel advertisements when viewing a non-related site, such as on a site about hockey). DART uses "non personally identifiable information". It does NOT track personal information about you, such as your name, email address, physical address, telephone number, social security numbers, bank account numbers or credit card numbers. You can opt-out of this ad serving on all sites using this advertising by visiting: http://www.doubleclick.com/privacy/dart_adserving.aspx.

Does the Website Share the Information It Receives?

Information about our Users is an important part of our business, and we are not in the business of selling it to others. We share customer information only as described below.

Affiliated Businesses We Do Not Control: We work closely with affiliated businesses. In some cases, these businesses operate stores

at the Website or sell offerings to you at the Website. In other cases, we operate stores, provide services, or sell product lines jointly with these businesses. You can tell when a third party is involved in your transactions, and we share customer information related to those transactions with that third party.

Third-Party Service Providers: We employ other companies and individuals to perform functions on our behalf. Examples include fulfilling orders, delivering packages, sending postal mail and e-mail, removing repetitive information from customer lists, analyzing data, providing marketing assistance, providing search results and links (including paid listings and links), processing credit card payments, and providing customer service. They have access to personal information needed to perform their functions, but may not use it for other purposes.

Promotional Offers: Sometimes we send offers to selected groups of the Website Users on behalf of other businesses. When we do this, we do not give that business your name and address. If you do not want to receive such offers, please click the “Unsubscribe” link located at the bottom of our emails.

Business Transfers: As we continue to develop our business, we might sell or buy stores, subsidiaries, or business units. In such transactions, customer information generally is one of the transferred business assets but remains subject to the promises made in any pre-existing Privacy Notice (unless, of course, the customer consents otherwise). Also, in the unlikely event that the Company, or substantially all of its assets are acquired, customer information will be one of the transferred assets.

Protection of the Website and Others: We release Account and other personal information when we believe release is appropriate to comply with the law; enforce or apply our Terms and other agreements; or protect the rights, property, or safety of the Website, our users, or others. This includes exchanging information with other companies and organizations for fraud protection and credit risk reduction. Obviously, however, this does not include selling, renting,

sharing, or otherwise disclosing personally identifiable information from Users for commercial purposes in violation of the commitments set forth in this Privacy Notice.

With Your Consent: Other than as set out above, you will receive notice when information about you might go to third parties, and you will have an opportunity to choose not to share the information.

How Secure Is Information About Me?

We work to protect the security of your information during transmission by using Secure Sockets Layer (SSL) software, which encrypts information you input.

We reveal only the last five digits of your credit card numbers when confirming an order. Of course, we transmit the entire credit card number to the appropriate credit card company during order processing.

It is important for you to protect against unauthorized access to your password and to your computer. Be sure to sign off when finished using a shared computer.

What About Third-Party Advertisers and Links to Other Websites?

Our site includes third-party advertising and links to other Web sites. We do not provide any personally identifiable customer information to these advertisers or third-party Web sites.

These third-party websites and advertisers, or internet advertising companies working on their behalf, sometimes use technology to send or serve the advertisements that appear on our Web site directly to your browser. They automatically receive your IP address when this happens. They may also use cookies, JavaScript, web beacons (also known as action tags or single-pixel gifs), and other technologies to measure the effectiveness of their ads and to personalize advertising content. We do not have access to or control over cookies or other features that they may use, and the information practices of these

advertisers and third-party Web sites are not covered by this Privacy Notice. Please contact them directly for more information about their privacy practices.

The Website also displays personalized third-party advertising based on personal information about Users, such as purchases on the Website or use of payment services. Although the Website does not provide any personal information to advertisers, advertisers (including ad-serving companies) may assume that users who interact with or click on a personalized advertisement meet their criteria to personalize the ad.

Are Minors Allowed to Use the Website?

No. This is a site for adults only.

Conditions of Use, Notices, and Revisions

If you have any concern about privacy at the Website, please contact us with a thorough description, and we will try to resolve it. Our business changes constantly, and our Privacy Notice and the Conditions of Use will change also. We may e-mail periodic reminders of our notices and conditions, unless you have instructed us not to, but you should check the Website frequently to see recent changes. Unless stated otherwise, our current Privacy Notice applies to all information that we have about you. We stand behind the promises we make, however, and will never materially change our policies and practices to make them less protective of customer information collected in the past without the consent of affected Users.
